GLP-1-Friendly Foods

Easy to digest, high in fiber, and hydrating — gentle when appetite is low

Easy-to-Digest Proteins

- Eggs & egg whites
- Greek yogurt & cottage cheese
- Flaky fish (cod, tilapia, salmon)
- Skinless chicken & turkey
- Tofu & tempeh

High-Fiber Veggies

- Steamed broccoli & green beans
- Spinach & leafy greens
- Zucchini & summer squash
- Carrots & bell peppers
- Roasted Brussels sprouts

Gentle Fruits

- Berries (fiber + antioxidants)
- Banana
- Melon & cantaloupe
- Apple or pear (peeled if needed)
- Oranges & clementines

Smart Carbs & Fiber

- Oats & overnight oats
- Quinoa & brown rice
- Sweet potato
- Whole-grain toast
- Chia & ground flax seeds

Hydration Helpers

- Water (sip through the day)
- Broth-based soups
- Herbal & unsweetened tea
- Cucumber & watermelon
- Electrolyte water (no added sugar)
